

FOOT POWER SHEARER MODEL : Q11 - 1.2X1300

The foot power shearer is of simple construction with a sliding way adjustable and reliable control with trap-pull spring in slide point fixed method. Some machine tools have a press sheet unit to make it cut better. It is light and easy to move, widely used in manual sheet feeding.

Model	Max. Cutting Material (mm)		Cutting Length (mm)	Cutting Angle (°)
	Mild Steel	Stainless Steel		
Q11-1.2x1300	0.5 - 1.2	0.6	1300	1.3
